OUR VENUE

Imperial War Museums is the world's leading museum of war and conflict. Founded while the First World War was still raging, IWM London gives voice to the extraordinary experiences of ordinary people forced to live their lives in a world torn apart by conflict.

Housed in a striking Grade II listed building that was originally the Bethlem Royal Hospital, the museum features extensive exhibits covering both World Wars, as well as more recent conflicts.

A magnificent Atrium sits at the building's core and boasts a stunning hanging gallery that provides dramatic views of the floor below. IWM London is the perfect venue for events of any scale, from large banqueting dinners to intimate drinks receptions.
