# OUR VENUE

IWM London, located in the heart of the city, is a leading authority on conflict and its impact, particularly focusing on Britain and the Commonwealth.

Housed in a striking Grade II listed building that was originally the Bethlem Royal Hospital, the museum features extensive exhibits covering both World Wars, as well as more recent conflicts.

A magnificent Atrium sits at the buildings core and boasts a stunning hanging gallery that provides dramatic views of the floor below. IWM London is the perfect venue for events of any scale, from large banqueting dinners to intimate drinks receptions.

# Legacy

IWM Group is a registered charity, and any commercial activity helps us to continue telling the stories that made our history and inform our future.

Here are some of our fantastic legacy initiatives:

1

IWM is one of the venues available to visit through Hyundai's new ground-breaking programme The Great British School Trip, which offers a selection of free school trips and travel bursaries to reduce costs for schools, helping 25,000 young people access inspirational school trips.

2

The IWM Institute is an Independent Research Organisation that collaborates with leading universities, hosts public programmes of talks, performances, and podcasts, and works with a global network of experts to provide access to IWM's world-class collections and research themes.

3

IWM cares for over 155,000 three-dimensional objects as part of our collections. We want our collections to continue to engage, challenge and remain relevant to our audiences, and we need to safeguard it for future generations.

# OUR FOOD

At IWM London, we are passionate about using fresh, seasonal, and ethically-sourced produce to create exceptional dining experiences. Believing that fresh is always best, our dishes are prepared on the same day they're enjoyed by our guests.

Our menus showcase modern British cuisine, evolving throughout the year to feature the finest seasonal ingredients. We also take pride in supporting local, partnering with a handpicked selection of trusted suppliers who bring the highest quality produce to every plate we serve.

# Carbon Labelling

All the IWM museums offer carbon labelled menu's to raise awareness of how our eating habits affect the climate and to empower everyone to make informed food choices.

The IWM museums work with Foodsteps to use certified climate data to display the carbon footprint of our dishes and their easy choice calculator helps our chefs to make climate-friendly changes to the menu.

# Sustainability
